About Us

We, students from different colleges, organize various Gaming Tournament for different Mobile/PC Games and technical event such as game development.

It is managed by 30+ students from different IITs, NITs, Thapar University, Chitkara University and other prominent Colleges/Universities of India.

We have a reach of 10,000+ people, which is a huge audience base to begin with.

Our motive is that everyone enjoy whatever they do whether gaming or development

The screenshot shows a website for "Gaming Geeks" with a dark theme. At the top, there's a navigation bar with links for HOME, ABOUT, EVENTS, TEAM, and CONTACT. The URL in the address bar is https://gaminggeeks.online. The main content area features a large image of a chessboard with pieces. Below it, there are two sections: one for "Monday Chess" which says "Registrations Closed", and one for "Tuesday Skribbl" which also says "Registrations Closed". At the bottom, there are promotional images for "BATTLEGROUNDS MOBILE INDIA", "grand theft auto ONLINE", and "CALL DUTY MOBILE".
